Product highlights

Direct Dubbing

Having a Direct Dubbing button allows for the user to start recording from the DVD disc without complicated menu system selection or input/output selection for separates.

Movies - VHS & DivX

Multi-format playability allows you to play most disc formats and VHS tapes for maximum compatibility and viewing pleasure.

Music: Windows Media™ Audio

Multi-format playability allows you to play most disc formats for maximum disc compatibility and listening pleasure.

ShowView

With the ShowView system, all you need to do to program your video recorder is to enter the ShowView number – a single code of up to nine digits (but usually less) that is printed next to each TV program in most TV guides.

Unified Remote Control

The remote control that has DVD and VCR functions, thereby providing you with the convenience of a two-in-one system in a combi set.
